

« 296 † See what God wants? God's got to have empty vessels. Listen. We've had so much doctrine, so much ecclesiastical nonsense, until we're down at the end of the barrel. There's only one thing left: turn to God and His Word. And if you'll do that, get some empty vessels. Take out all the Methodist out of them, all the Pentecostal out of them, and all the Baptist out of them, and just let them be vessels, and set them up in the house. And then take from this Vessel and begin to pour (Amen.), just begin to pour.

She had enough to take care of her and her kids, and everything else, and pay off all the debts. Why? Why? Just what little she had, consecrated to God, and following the word of this prophet, she come out right.

« 300 † God, send us a prophet that will take the Word of God, that will not take some-- something else, but just get empty vessels. If God can just get empty vessels, and then take the Word of God and pour It into the person.

Not some say, "Oh, I shook when I received It. I spoke in tongues when I received It. I danced in the Spirit." Forget it (See?); forget it. Just stay there until It comes (That's all.), till the vessel's full. That's it. That's the way you do it. Yes, sir, the simplicity of It. The vessels was filled up. How we could stay on that.

« 340 † Oh, God's strategy is to take empty human vessels and shake the world with them (Now, just a little bit and we'll go.) like at Pentecost. At Pentecost what did He do? It taken them ten days to get all emptied up. But they was all standing there with their vessels turned up, and God took Himself and filled them up. That's all. They shook the world. Poured Himself into them...

That's the need of today. That's what we need today, is the empty vessels (Yes, sir.) so God can fill them up. And you cannot take them... (I got to bypass a lot here.) God cannot use them as long as they're already filled up. If you're full of theological training, God can't use you. God's got to have empty vessels so He can fill them.

« 342 † Now, Elijah didn't say, "Go get some vessels and borrow a lot of oil, and we'll see if we can't get a good sale price on it, and you get a little more and you can pay the neighbor back like that." He said, "Just get the empty vessels. That's all you need."

That's what it was at Pentecost; they had empty vessels so God could fill them up. Brother, this day demands that. This day's got to have that. We'll have that or perish. I'm going to close now. Listen. We've got to have that or perish. Yes, sir.

« 354 † What we need, O God, I feel It a-pouring in around through here now. What we need is a prophet of God to rise up with a thunderbolt of God, spiritual lightning that'll shake this world to shame. Hallelujah. Empty vessels, what He needs (That's right.), a called-out Church, a little minority that'll receive God's power and blessings and His Message. Hallelujah. That's what we need.

Get weak so you can get strong. It'll conquer every devil. It'll put the learned to shame. It'll bring men and women who God has called, and that only.

« 356 † Remember, "As it was in the days of Noah, so will it be in the coming of the Son of man; eight souls was saved." In the days of Elijah there was seven thousand only had it. Oh, just think of where we're living now. When John came on the scene, the little church was certainly in the minority, but there was empty vessels to pour the Oil in. Hallelujah. God, let us empty ourselves up.

Get empty, friends. Get weak. Deny your own ability. You out in radio--not radio, but out in--that hear these tapes, wherever they come, empty yourselves out. Pour yourselves out upon God's altar as a sacrifice. Let the Angel come with a coal of Fire, fill that vessel with the power of Almighty God and get... Then He'll make you strong; He'll give you grace to stand.
