

58-1001 - Lifting Him Up Out Of History

44 So what a blessed privilege it is to all of us, to reach over and get God's good old Bible, and turn the pages back, and know that we are reading directly Truth. And to see that these times happened in days gone by, for it speaks of a historical God. **And the only way that we're ever going to be, to cope with these ways, or to—to fall in line, is to call up, out of history, that historical God.** For through all days, in the antediluvian destruction, before the coming of Christ, and at different events, **He never fails, when He called on.** He's always right.

60-1218 - The Uncertain Sound

360 That's when two positives meet. See? That's when two omnipotents meet. See? When, one omnipotent she had, **she had perfect omnipotent faith in Christ;** and **Christ was omnipotent.** See? She had perfect, infinite faith in Christ, that He was the Lord; and knowed, whatever He asked God, God would give it to Him. In other words, she said, "You just speak the Word, that's all You have to do. Whatever you ask God, God will give it to You."

That's om-...That's—that's omnipotent, all-powerful, 'cause He just said so. See? All right, and He was all-powerful. That's when two powers, two omnipotent powers, meets together. It's a contact then.

361 When a line here *has* got a hundred and fifty volts, and *this* one got a hundred and fifty volts; when they come together, you got a hundred and fifty volts, both ways. See?

58-1001 - Lifting Him Up Out Of History

53 But, today, the people, if they don't get everything they ask for, the first time they pray, they seem to think that He's dead. What we need is men and women, today, of gallant spirit, men and women who are determined to hold on, till they see a God that really lives, come into action, **that will not take no for an answer.** They're determined to stay with it. If they are sick, and the doctor has said they can't get well, yet Something within them tells them they're going to be well. Hold on, no matter what takes place!

81 That was a historical God that give the promise, and we're the people **today** of His pasture. We're the sheep of His fold, and **He's waiting on us to stand and call Him on the action.** Call Him on the scene. Watch Him go into movements. Watch Him do the supreme. Watch Him do the thing that man will wonder, and scratch their heads, and not understand it. He's a historical God, and a present-day God. He's waiting to be called out of history.

85 You can't call Him with your lips. He doesn't come by lip service. He comes by faith. **When your faith;** not your long prayer, your burning out.

86 But He comes by **that little, dim faith that's way down in your soul,** that can take a hold and say, "That little thing that's been, it brought me to this tabernacle tonight, can light my soul afresh, can send me away from here, a burning and singing, just like the birds in the air." Why? He's a historical God and a present day God. He's waiting to be called on. Call upon the Lord. He'll hear you. Speak to Him, in psalm. Pray to Him and believe Him. He'll answer.

60-1218 - The Uncertain Sound

362 And when you got supreme Power. When Jesus said, “Lay hands on the sick, they shall recover,” and you got supreme faith in that being the Truth; you need a supreme God that made a supreme promise, and a supreme result will come. Amen. That’s it. See?

55-0403 - Fellowship By Redemption

123 **But when our body becomes in tune with God**, becoming a part of Him, then our soul can pick up the power of the Holy Spirit, **to vindicate the Presence of the Lord Jesus Christ**, and all of His power and omnipotence. He has risen from the dead. He lives among us today. And He wants fellowship, back with His people again. His great Majesty, His Glory, is now spreading forth. And He is desiring to fellowship again with His people, like He did in the garden of Eden.

56-0115 - The Junction Of Time

105 Look what taken place now, as we move up into this—this episode here. As we come up, we see John coming on the river, preaching. He’s telling about One that was coming, is mightier than he; begin to preach. After a while, there appeared none less than Omnipotent Himself, wrapped up in a little bundle of flesh. Great Jehovah God revealed Himself in His Son, Christ Jesus. The Omnipotence was made flesh and dwelt among us, walked among us. Hallelujah!

11 And, always, **it takes the miraculous to speak of omnipotence**. Omnipotence is the all-powerful, and it takes the miraculous **to vindicate** the omnipotence. And only the miraculous

can do that. Teaching of the Word is a very fine thing, and we...it comes, "Faith comes by hearing, and hearing the Word," but it always takes the miraculous to vindicate that the omnipotent still lives and reigns. We must have the miraculous. **And I believe that the Church is now standing on a threshold of the greatest vindication of omnipotence that the world has ever known.** There has been...

52 What was it? **We got the changing time.** We got the junction roads. And the great unchanging God Who was in—in...it's unchangeable, Who performed those things at the junctions of time, the past, how much more will He do now when all hell is set at rage and the end time is here! He is the same. He doesn't fail. **Omnipotence meets the miraculous.** Certainly. The unsearchable... The unreasonable thinking of man can never comprehend the miraculous. You have to come in contact with Omnipotence. And then when you do that, you're in contact with the Supernatural. Your life change, your thinking change, your mind change. You are made different. Your sicknesses vanish. God's great Power moves in.

56 Then I want you to notice, every time the miraculous was done, Satan is always there to counterfeit it. And as he was counterfeiting in that day, he is still the same counterfeiter today. Even his counterfeits only point to the end time at the junction.
